Mr. James S. Shiffer...........................Assistant Coach, Football
B.A. Mansfield University, M.Ed. Millersville University

UNIVERSITY ADVANCEMENT

Ms. Charlene M. Domin.............................Director, Marketing
B.A. Bloomsburg University
The members of American Federation of State, County and Municipal Employees (AFSCME) take this opportunity to welcome all students, faculty and staff at the start of the 2011-12 academic year.

We are living in very difficult economic times and all share in the uncertainty that has become the new “normal.” Fortunately, AFSCME union members, University staff, faculty and administrators remain united in the commitment to deliver on the promise to our students for an education second to none at Millersville University. We will continue to go forward.

Best wishes to everyone for a successful and healthy year at Millersville.

On behalf of APSCUF-MU, I would like to welcome everyone back for the new academic year.

We have been operating under very difficult circumstances over the past several years. And we will continue to face more challenges this coming year. The budget situation has forced us all to think of new approaches to our work.

At the time that I wrote this greeting, APSCUF was involved in negotiations with the Pennsylvania State System of Higher Education (and very likely still is). All of these things create anxiety and distraction. I would observe, however, that despite these obstacles we are still engaged in one of the most worthy of pursuits. I would urge everyone to keep this in mind as we find ways of meeting all the challenges we face. And I trust that we all come to this new school year with renewed energy, prepared to engage our students and help them in their academic and personal development.
Remarks
From OPEIU-MU
Ms. Dawn M. Smith, President

On behalf of the members of the Office of Professional Employees and International Union (OPEIU), I would like to extend a warm welcome to all new and returning students, faculty and staff for the 2011-12 academic year.

It is our mission to provide quality health care to Millersville University students, to support and maintain their physical and emotional health as they embrace the educational and social opportunities provided by the university to achieve their academic goals.

We look forward to working together with the campus community to promote health and wellness through healthy lifestyle choices to create a positive learning environment for all.

Best wishes for a safe, healthy, and successful academic year.

Remarks
From SCUPA-MU
Ms. Rita M. Miller, President

Greetings to the University Community,

The State College and University Professional Association (SCUPA) at Millersville University welcomes new students, staff and faculty to the campus. We share enthusiasm for the challenge of starting a new academic year on our changing, growing and evolving campus with returning friends and colleagues. We believe that 2011-12 will prove to be a year of challenge and transformation for our campus community as we find new ways to advance the mission, vision and goals of the University in the face of economic adversity.

SCUPA-MU is proud to support and encourage the academic and personal development of our students. We believe the pathway to success for our students is measured and maintained through the collaborative commitment of all segments of the campus community. We remain dedicated to that noble effort.

SCUPA-MU wishes the Campus Community a happy, safe and productive academic year.
On behalf of the police and security officers of the Security, Police, and Fire Professionals of America (SPFPA) at Millersville University, please allow me to welcome all students, staff and faculty at the beginning of the 2011-12 academic year. We hope you find the upcoming year productive and satisfying.

Our staff is dedicated to providing a safe and secure environment in which to learn, live, work and recreate. We are proud to be part of the overall educational process, and work closely with all facets of the campus community to work towards its larger goals.

We take pride in our role as protectors of the university community in these challenging times, and of the administration’s support of our mission in achieving the safest possible environment.

SPFPA-MU sends out best wishes to all for a safe, successful academic season.
