

Localized Approaches to the Opioid Epidemic

November 1, 2017 | 8:00 AM-11:30 AM

Ware Center

Lancaster, PA

Please join us as we explore the impact of the opioid epidemic on the Lancaster Community and our community's response.

Our keynote speaker will be Senator Vincent J. Hughes who:

- Introduced Senate Bill 886 - Preventing Fatal Opioid Overdoses in Schools
- Will provide context about the opioid epidemic and why it is important for all of us

In order to register please go to millersville.edu/graduate/opioid.php
For any further information please contact Dr. Charity Welch
at (717) 871-7171 or profdev@millersville.edu

**3 CEUs will be available to those interested for \$25
(Payment is required at the time of check-in)**

Brought to you by:

Millersville University

and Millersville University's School of Social Work, Department of Psychology, Department of Wellness & Sport Sciences, Department of Nursing, and the College of Graduate Studies & Adult Learning
