presented by:

Dear Girls on the Run 5k Course Neighbors,

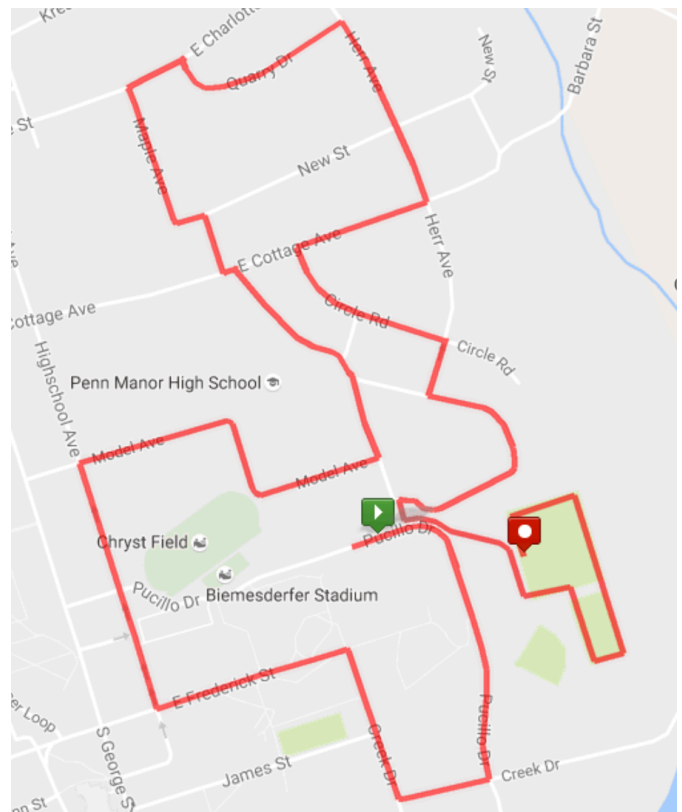

Our Girls on the Run 5K will take place on Saturday, November 11<sup>th</sup> at 9AM at Millersville University. We expect approximately 1,700-1,900 runners and walkers; 760 will be girls between 8-13 years old who are currently participating in the GOTR program. GOTR is a non-profit, character development program for girls in 3rd-8th grades. We inspire girls to be joyful, healthy, and confident using a fun, experience-based curriculum that creatively integrates running. Many of the girls will be completing their first 5K as the grand finale of their 10-week GOTR curriculum. See [www.gotrlancaster.org](http://www.gotrlancaster.org) for more information.

We are partnering with the Millersville University Police and Flagger Force in an effort to keep our participants safe. We appreciate your anticipated cooperation and support. Parking will be allowed along the course, but cars will not be able to be moved until the last participant passes the respective parking areas. Participants of the program will begin arriving at 7:00AM, and a sound system in the Millersville University Pucillo soccer stadium will be in use beginning at 7:30AM.

To ensure runner safety, the following road closures will be in effect during the 5K (9:00 to 10:00AM):

- Cottage Ave will be closed from N George St to Herr Ave
- E. Charlotte from Herr Ave to Maple Ave (right lane only will be closed)
- Quarry Dr (closed)
- Herr Ave (right lane only will be closed from E. Charlotte to E. Cottage Ave)
- Maple Ave (closed)
- New St (closed from Maple Ave to Herr Ave)
- Circle Rd (closed from E Cottage Ave to Herr Ave)

Note: These roads and intersections will open as soon as the last participant passes through the intersection.

This event is not just for girls! Visit [www.gotrlancaster.org](http://www.gotrlancaster.org) for information on 5K registration and volunteer opportunities. We also hope you will contribute to the positive spirit of our life-changing program by cheering for the runners and walkers as they pass by your buildings or residences. We expect all participants to be off the course and back into the Millersville University Pucillo Soccer Stadium by 10:00AM. Thank you for your cooperation with the police, Flagger Force, volunteer personnel, and our course marshals on November 11th. We hope you can join us and share in the positive energy of this celebration!
