And Then There Were None by Agatha Christie

Directed by Tony Elliot

And Then There Were None is considered Agatha Christie's murder mystery masterpiece. Ten strangers- including a governess, a soldier of fortune, a doctor, a general, an old maid, a judge, the housekeeper, and the butler- arrive at a remote island, not knowing a single soul, yet they have more in common than they believe. Slowly throughout this mysterious trip, secrets are revealed with accusations of murder- and the guests start to disappear to the pattern of a certain, and rather creepy, children's rhyme. A show of deadly fun, from the mind of Mrs. Christie's herself.

AND THEN THERE WERE NONE is presented by special arrangement with Samuel French, Inc.
