

Dear University Community:

The Presidential Search Committee (PSC) is pleased to announce our final candidate. Dr. Philip Way, Interim President of Slippery Rock University, is scheduled to be on campus Monday, March 5, through Wednesday, March 7. Dr. Way's cover letter, vitae and full campus schedule can be found on the presidential search website at <http://www.millersville.edu/presidential-search/candidate-profiles.php>.

We encourage you to review his credentials and attend his campus open forum on Tuesday, March 6, from 12:05 p.m. - 1:10 p.m. (common hour), in the Student Memorial Center, Reighard Multipurpose Room.

In addition, we welcome your comments on our fourth candidate, Dr. Somerville. If you were unable to attend Dr. Somerville's campus open forum, you can view it on the search website (link above) and submit feedback via the online survey at <https://www.surveymonkey.com/r/FPTY2VS>.

On behalf of the PSC, I look forward to your continued participation in the search for our next president.

Ann S. Womble, Chair  
Presidential Search Committee
