

Millersville University

CENTER FOR ACADEMIC EXCELLENCE

Annual Assessment Luncheon

March 23, 2018

12:00 – 1:30 PM

Stayer MPR

Organized in conjunction with the Academic Outcomes and Assessment Committee (AOAC) & Planning, Assessment and Analysis, this event will address the following questions:

- How are students performing on the new Scientific and Mathematical Reasoning assessment instrument?
- What do faculty expect students to achieve through the Science and Mathematics (G2) block in our General Education curriculum?

Join us for lunch as we discuss ongoing general education assessments (writing, critical thinking, etc.) across disciplines and share data from recent surveys.

RSVP to Carol.Kirsch@millersville.edu
