Goals

-500 Articles of clothing
By The End of April

Notice:

To avoid the spread of germs, please wash all clothing prior to donation

This clothing drive was started by three Millersville students currently taking small group communication. The goal of our project is to help bless the local community by providing clothing to those less fortunate. Many of us have clothing that no longer fits, or that we no longer wear. Donations are a perfect way to help out those less fortunate. All donations are greatly appreciated.
