**Elections** will be conducted by Faculty Senate as follows:

First election: April 17

Second election: May 1

Third election & At-Large: Sept 4

In the first three elections, seats on some committees are restricted to a specific academic unit to provide balanced representation. **Please submit nominations to Faculty Senate Secretary:** [aimee.miller@millersville.edu](mailto:aimee.miller@millersville.edu) Nominations submitted in advance will be included on a printed ballot. However, nominations may still be made by senators at the meeting, and additional names will be included on the final ballots.

*After the third regular election, any unfilled seats will be filled at-large by any faculty member for one year. At-large nominations are made concurrently with the third election and elections held as needed.*
