

The 2018 Academy of American Poets Student Poetry Contest has concluded. Again, the judges note the consistently inventive, insightful contributions of our Millersville students are a joy to read--*and* make their task very difficult.

On behalf of the English Department here at Millersville University, I am pleased to announce the following:

Ms. Misty Matesig, a first-year Biology major, has garnered first place,

and

Ms. Chelsea Reimann, a graduate student in English, has earned "Honorable Mention" in this year's contest.

Students, both undergraduate and graduate, I hope you will consider submitting *your* verse to next year's contest. Please congratulate Misty and Chelsea on their fine achievements!

Dr. Judy Halden-Sullivan
Co-Coordinator
Academy of American Poets Student Poetry Contest
Department of English
