STREET WORK NOTICE WEST FREDERICK STREET IMPROVEMENT PROJECT PHASE I COMPLETION

Dear Resident,

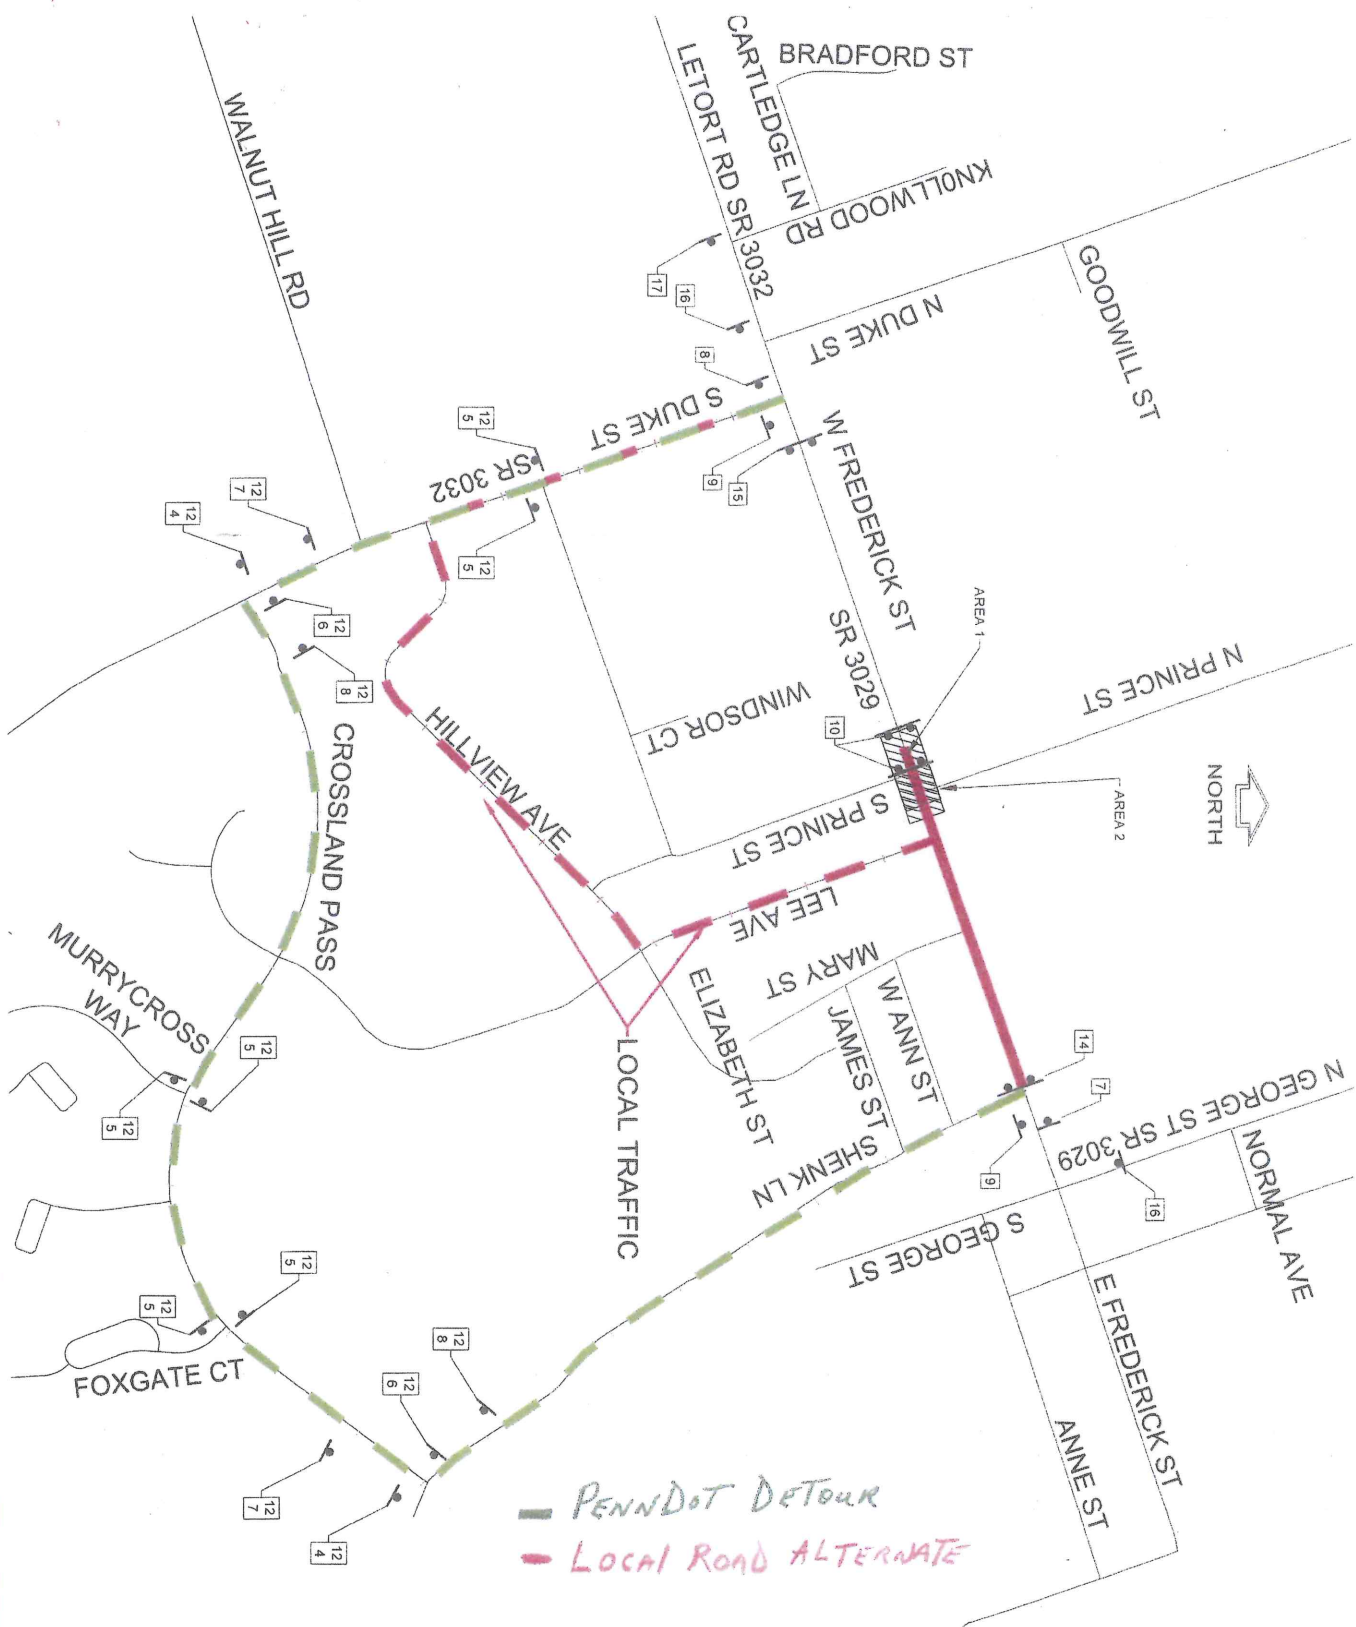

The contractor expects to resume work on the West Frederick Street project on Monday, June 11th, 2012 at the intersections of North and South Prince Streets. The Borough anticipates this intersection to be closed intermittently during the first week. The remainder of the project work will be done on West Frederick Street from South Prince to the Barber Shop (109 West Frederick Street). West Frederick Street will be open to local residents from South Duke Street to the Barber Shop. The entire project will take about five weeks to complete. Keep in mind weather and other construction unknowns can affect stated times. Please reference the detour map on the reverse side.

We will make every effort to minimize the inconvenience associated with this infrastructure improvement. If you have any questions in regards to this project, please contact our Streets Superintendent, Andy Boxleitner at 872-4645.

We appreciate your patience.

Sincerely,

Edward J. Arnold
Borough Manager
