

# Fort Worth Zoo Conservation Expedition

Travel to the British Virgin Islands to help  
the Anegada Iguana (*Cyclura pinguis*)

**Dates:** Session 1: May 19-27 2013  
Session 2: May 28-5 June, 2013  
Session 3: July 9-17 2013

**Where:** Anegada, British Virgin Islands (BVI)

**Cost:** \$1,375 for one session

**Group size:** Seven to 10 participants plus a  
project leader and assistant leader

The Fort Worth Zoo is seeking participants to  
provide support for its Anegada iguana  
conservation project.

As a participant you will:

- Learn field research methods such as distance sampling, mark-recapture, and GPS
- Assist in taking morphological data on iguanas in the headstart facility
- Set and maintain live traps daily to capture iguanas
- Assist in taking morphological data on any captured wildlife
- Assist researchers with camera-trapping surveys
- Conduct feral cat surveys

**Cost Includes:** 1 night on Tortola, BVI; 1 round-trip ferry ticket from Tortola to Anegada; 7 nights on Anegada; meals on Anegada; field supplies; transportation on Anegada; and all routine expenses on Anegada

**Cost does NOT include:** Airfare to Tortola, BVI; meals on Tortola; cab fare to and from the airport
