

'VILLE UNPLUGGED

March 25th - April 14th

Three Weeks of Campus Energy Conservation

How to participate:

- Take small steps to save energy (see below)
- Encourage friends, classmates, colleagues and coworkers to join in
- Win prizes by posting pictures of yourself taking steps to save energy on Instagram using #SustainMyVille
- Random winner picked each week
- Listen to WIXQ for "unplugged" sets and energy-saving tips

Residence Hall and Classroom Competition

- Save energy in your suite and classroom to see which residence hall and which classroom building can save the most energy
- Follow the competitions online at <https://buildingos.com/s/millersville/storyboard139>

Energy Saving Tips

Classroom and Office

- Turn off computer when not in use
- Turn off the lights when leaving the room
- Use natural light where possible

Residence Halls

- Use the stairs instead of the elevator
- Run the dishwasher, washer and dryer only when full
- Use cold water to brush your teeth
- Unplug chargers, appliances, and devices to eliminate vampire load
- Wear seasonally-appropriate clothes before adjusting the thermostat
