### **Clarion University holds line on fees, housing costs**

Friday, July 12, 2019

Clarion University announced Thursday that the cost of fees will not increase next school year and, in collaboration with the Clarion University Foundation, the cost of on-campus housing for next year also has been held.

### **T-shirts remind Dr. Phil that, yes, there is a Slippery Rock University**

Friday, July 12, 2019

University President William Behre first gave the shirts as gifts to this year's graduates attending a commencement rehearsal in May. The sale of each shirt sends \$5 to a student scholarship fund.

### **Volant resident part of SRU geoscientists team**

Friday, July 12, 2019

To the unknowing observer, the rock wall shouldering the Trans-Canada Highway, where the road sidles the banks of Kama Bay near Nipigon, Ontario, is just that, a rock wall. But for a faculty-student research team at Slippery Rock University, the site demands a much closer look.
