

The Millersville University Single Reed Society

is pleased to host the

12th Annual MU Single Reed Symposium

Saturday, April 1

featuring headlining guest artist

DAVID KRAKAUER

7:30pm

Biemesderfer Concert Hall

Winter Center for Visual & Performing Arts

“David Krakauer is such an overwhelmingly expressive clarinetist who moves so seamlessly between different genres that for a minute you’d almost think that there’s no appreciable difference between jazz, klezmer and formal classical music.” - Will Friedwald, The Wall Street Journal

For the past decade, Krakauer has emerged as an electrifying symphonic soloist who brings his powerful approach to the concert stage. Widely considered one of the greatest clarinetists in the world, Krakauer has been internationally praised as an innovator in modern klezmer and a major voice in classical music.
