

Free Screening of Hidden Figures

Tuesday, April 4, 2017
Winter Visual & Performing Arts Center
Clair Performance Hall
6:00 p.m.
Free and open to the public

The College of Science and Technology is hosting a free screening of the film *Hidden Figures* in conjunction with the Women in Mathematics, Science and Technology Conference. Following the film, a panel of three Millersville University faculty members will discuss their experiences as scientists and educators with a short question and answer session with the audience.

Tickets are free of charge, but required for admission and can be obtained from the Millersville University Ticket Office or at <http://www.studentservicesinc.com/ticket-sales/>
