## Legislative UPDATE

### Pennsylvania's State System of Higher Education

---

The General Assembly returns to session this week, convening Monday through Wednesday. After this week's end, both chambers will return to legislative session on Monday, June 5th, and will continue to meet weekly through the end of the month. Talks will continue in earnest to complete an on-time state budget as the June 30th budget deadline approaches.

[House Bill 218](#) (Saylor), as passed by the House in early April, waits further consideration in the Senate. The General Appropriations Act for Fiscal Year 2017-18 would provide an \$8.9 million increase for the State System over the current fiscal year.

"When Pennsylvania's public universities flourish, Pennsylvania succeeds," said Chancellor Frank T. Brogan at the System's recent Advocacy Day. "A continued investment in the 14 universities in the State System is an investment in the success of every Pennsylvanian. These are our universities; these are our students; this is our future. And it's time we make an investment in the future."
