

## **Construction Update**

### **New Curbs:**

From June 22 – July 6, contractors will be working along South George Street and James Street, replacing ramp curb cuts and ramps at street and sidewalk locations. Construction barriers are in place.

### **Construction on Central Manor Road:**

Construction for the Central Manor Road (Route 3017) bridge, spanning West Branch of Conestoga Creek in Manor Township is scheduled to begin June 26 as part of the Pennsylvania Department of Transportation's (PennDOT) Rapid Bridge Replacement Project. Construction should be complete in early September.

During this time, drivers will be directed to follow a detour along Letort Road (Route 3032), George Street (Route 3029) and Route 999 (Blue Rock Road).
