University Community:

It is with sorrow that I inform you of the death of Matthew Curtis Hafer (1996-2017), a student at Millersville University and a member of the University Honors College community. Matthew passed away after a long and courageous battle with cancer.

He is survived by his mother and father, Cathy and Curtis; his twin sister, Bethany (a current Millersville University student); and his older brother, Joshua (a 2015 Millersville University graduate).

The University Community mourns the loss of Matthew.
