

To the Millersville University and Extended Communities:

The Presidential Search Committee (PSC), charged by the MU Council of Trustees with evaluating and eventually recommending candidates to succeed Dr. John Anderson, began its work this week. Provided here is a list of the committee members, alternates, non-voting advisors, and support staff as approved by the Council of Trustees and Chancellor Brogan.

This committee held its orientation meeting on July 11 along with search consultants Mr. John Thornburgh and Dr. Bob Smith from the executive search firm of Witt/Kieffer. We will continue our work apace this summer and into the fall. Initial work will include holding interviews and forums with key constituencies and stakeholders to craft a job description for the next president relevant for today's needs and anticipatory of tomorrow's expectations.

This committee will prioritize transparency and accountability to every extent possible while operating mindfully under our charge of strict confidentiality.

As chair, I will keep an office on campus in Dilworth 202B for the duration of the search. You are invited to visit me there or email me at Ann.womble@millersville.edu or call 717-871-5593 to ask questions or offer input.

We look forward to a successful search process and outcome for the betterment of Millersville University.

Sincerely,

Ann Womble
PSC chair

Millersville University
