The Millersville University Foundation is a 501(c)3 non-profit organization whose mission is to manage and invest endowed gifts for the University. Since their inception, Diana’s Dreamers have raised over \$60,000.

Help us support this very worthy cause by signing up for our night of painting, music, wine and good fun in our beautiful garden setting!

No artistic talent required, although you may just be surprised at what you can do, and we guarantee you will have a fun night!

Raffle tickets and Silent Auction items will also be available for purchase. All proceeds from this event go directly to Diana’s Dreamers Endowment.

Art and a Bottle is Lancaster County's top rated art studio for fun and creative social painting classes (aka Sip and Paint) catering to all experience levels. Located right here in Lititz at the “Village Shoppes at Brighton, they are going to move this class into our garden (unless it rains, where we will move into their studio right up the street from our garden).
