

Campus Community,

I am sad to announce that Dr. Michelle Pèrez, Associate Vice President, will be leaving the University on August 4th. Michelle accepted an Assistant Vice President for Student Success position at [Campbell University](#) in North Carolina.

This is a wonderful opportunity for Michelle and her family. Michelle has been a tremendous member of Student Affairs & Enrollment Management and was critical in assisting me with the merger of Student Affairs and Enrollment Management. Her role with our students over the past seven years will be greatly missed by the entire Millersville community. Please join me in wishing Michelle the best of luck in her new position at Campbell.

Warm regards,

Brian

Brian P. Hazlett Vice President

Student Affairs & Enrollment Management
