

*Please join us as we celebrate the arrival of our newest Marauder Community members, the new students of the Class of 2021! The Marauder Pride Celebration is a chance for us to share our excitement about Millersville University through reflections of our own experiences. Students will also be welcomed as young alumni as they take part in the traditional Pinning Ceremony.*

*Following the formal program in Marauder Courts, we will reconvene at The Pond to participate in a brief Candle Lighting Ceremony that will connect new students with the thousands of Millersville students and alumni that have preceded them at the 'Ville.*
