### The Starfish Story

*The starfish story tells of a man who approaches a boy on the beach. . .*

*"What are you doing?" the man asks.*

*"I'm throwing starfish back in the sea because if I don't they're going to die."*

*"But there are thousands of starfish. In the larger scheme of things, you're not going to make much of a difference to all of these starfish."*

*The little boy looked up at him, stooped down again to pick up another starfish and gently but quickly flung it back into the ocean.*

*"It's going to make a big difference to that one!" he replied.*
