Date: October 24, 2017

Re: AED and CPR Training – Fall Semester 2017

Do you want to be trained in how to use an Automated External Defibrillator (AED) and how to perform Cardiopulmonary Resuscitation (CPR)? Sign up for one of the following training courses. Training is conducted by certified and experienced American Heart Association (AHA) AED/CPR trainers. Class size is limited to no more than 20 per class so sign up early to reserve your spot.

Light refreshments will be provided.

Contact Andrew Yarosh at ajyarosh@millersville.edu to schedule or contact Patrick Weidinger if you have any questions at Patrick.weidinger@millersville.edu.
