

A New Year...

A New You

A New Year's resolution should be about what you gain, not what you lose.

Take charge of your future with Skillsoft, Millersville University's eLearning partner. With just a few clicks you can develop new skills or boost your existing talent. For a preview of program topics available to all staff and faculty members, visit <https://wiki.millersville.edu/display/MUHR/Skillsoft> today!
