

The March Open House is a great way to put your department in the spotlight for potential students.

The Admitted Student Expo is for all students that have been admitted for the fall 2018 term.

Both events provide an opportunity to spotlight your department to these students and show everything that Millersville has to offer. Also, it is a time that you can volunteer to assist during the event with registration, mingling with families throughout the day, or have lunch with families at the Galley or Upper Deck. Families have lots of questions and value the opportunity to speak to campus members regarding majors and opportunities on campus.
