

Please submit your textbook adoptions and course material requirements at our website (www.facultyadoptions.com). Adoptions can be submitted electronically or by using the PDF version of our paper form. If there is no textbook required check “this course does not require course materials.” Please inform us in the message box of any alternate sources or materials being used.

If you are already registered for the adoption website please go to the Adoption Page. To create an account, please click REGISTER HERE on the Adoption Page.

If you need assistance with registration or adoptions please call 871-7660.
