Caputo Hall	*Lombardo Welcome Center*	*South Village Suites*	

NOTE: If your building is not listed, it was completed over Spring Break 2018.

Construction Timeframe:

Beginning Date: *May 14, 2018*   *7:00 a.m.*
Ending Date: *June 29, 2018*   *3:00 p.m.*

Building Impact:

Each device is individually tested and a 15-20 minute building-wide fire alarm is required. Scheduling of this test will be coordinated with building occupants in an effort to minimize impact.

Please email MU Facilities (mufacilities@millersville.edu) regarding specific dates or times that are not supportable for your building.

The intent is to conduct this required testing during summer break in order to minimize campus impact. Testing needs to be completed by June 29th due to contractual requirements.
