

Facilities Management Department Notice Building and Road Closures

Description:

James Street will be repaired over the summer due to significant deterioration from the various construction projects.

During the time period below, contractors will complete a full depth reconstruction of the road and sub-base. The final surface coat will be applied later in the summer after other necessary work is completed.

This other work consists of:

Replacing sidewalks and curbs

Replacing crosswalks

Installing electrical service for a new electrical vehicle charging station

Installing stormwater inlets

Landscaping and fencing

Construction Timeframe:

Beginning Date: Monday – May 14, 2018 6:00 a.m.

Ending Date: Monday – May 28, 2018 8:00 a.m.

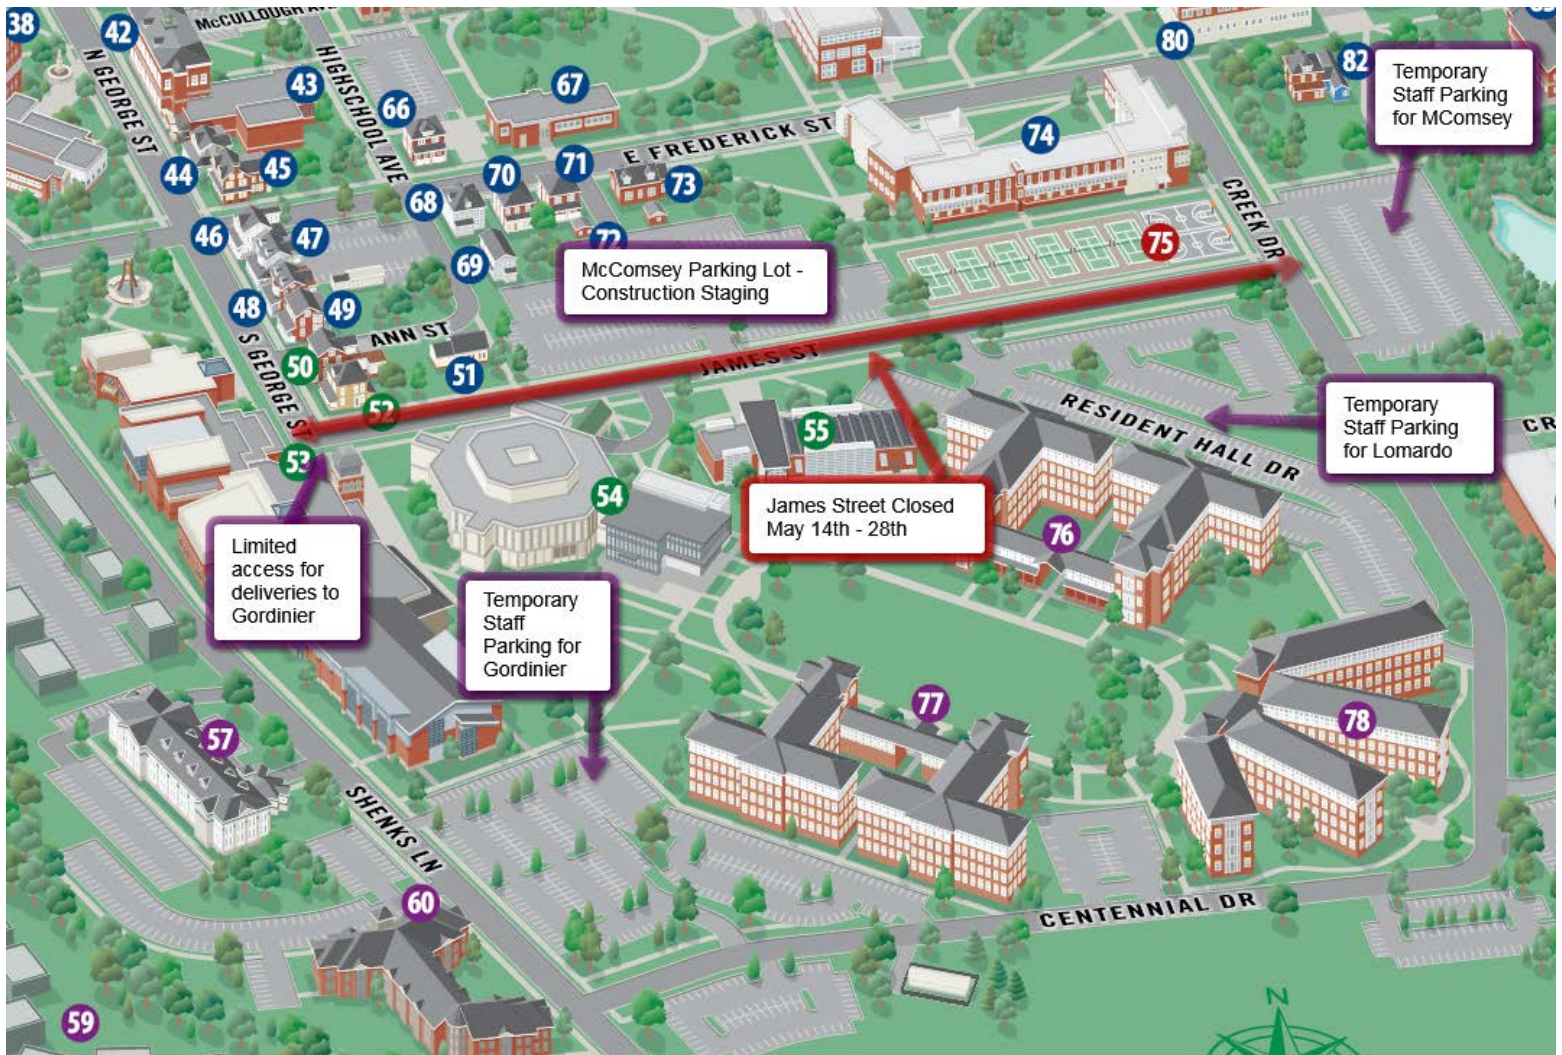

Traffic, Parking and Building Impact:

During the time period above, James Street will be closed to all traffic. Limited access will be provide to the Gordinier Hall loading dock. See attached map for alternate parking locations.

Intermittent lane closures will occur throughout the summer to complete the remaining work.

Please contact Facilities Management Department at 717-871-7875 or email MU Facilities (mufacilities@millersville.edu) for additional information.
