GROWTH THROUGH ORGANIZATIONAL LEADERSHIP DEVELOPMENT

The GOLD Certificate, or Growth through Organizational Leadership Development Certificate, is designed for students who have become involved leaders at Millersville and want to improve upon and expand existing knowledge and skills and harness new practices to lead their organizations and be better prepared for future leadership roles at MU and beyond.

The SAIL Certificate, or Students Achieving Individual Leadership Certificate, is focused on students who are interested in exploring their personal leadership styles and learning more about opportunities, concepts, and practices to harness and craft valuable leadership skills for the classroom, workplace, and everyday life. SAIL is open to any MU students.
