

POSITIVE CHANGE CONFERENCE

*From Challenges to Choices: **Creating Positive Change**
around Addiction Services [**Rethinking Diversity**]*

Wednesday, October 24, 2018

9:45-11:30 a.m. • Student Memorial Center (SMC)

SPECIAL LEARNING UNIT FOR MU STUDENTS & FACULTY

How's the Water? Encouraging a Culture of Recovery by Scott Theurer
(Lancaster County Recovery Alliance)

Followed by a **30-minute Q&A with Scott and a young person in recovery**

This **free learning opportunity** for MU faculty & students will offer a unique look at the experience of being in recovery from addiction (alcohol, other drugs, gambling, food, etc.), and how that is shaped by our community's beliefs and attitudes. **Attendees will:**

- Have addiction recovery fully defined.
- Expand their awareness of what daily life might be like for a person in recovery from addiction.
- Learn about challenges, pitfalls, and relapse triggers common in the community for people in recovery.
- Discover simple, tangible ways they can support a recovery-friendly community.
- Understand the relationship between a recovery-friendly community and increased treatment and recovery rates.

To register email Amy at asechrist@compassmark.org. Attendees will receive a certificate of participation. Faculty members are encouraged to bring their entire class or offer students incentives to participate.
