

Men's Basketball Team Manager

Millersville Men's Basketball is seeking two Volunteer Team Managers. Responsibilities include, but are not limited to: assist coaches and full-time support staff members in administrative duties deemed necessary by the head coach. Assist with preparation for practices and game management for home games. Assist with filming practices along with games. Volunteers are expected to make all home games as well as away road trips. Volunteers who may be looking to get in to coaching will get great experience to what the college basketball season entails. The hours per week will be no more than 15 from now through basketball season.

Volunteers must complete all background clearances prior to assisting with the team.

Interested Volunteers should Email Basketball Graduate Assistant Coach Chris Conway.
