

Facilities Management Department Notice McComsey Hall Boiler Replacement

Description:

A project to replace the boiler at McComsey Hall will start over Fall Break. As part of this project, a new opening will be created to remove the existing boiler and install the new boiler.

Event Timeframe:

*Beginning Date: Monday, October 8, 2018 7:00 a.m.
Ending Date: Tuesday, October 9, 2018 4:00 p.m.*

Campus Impact:

A new opening will be cut in the basement level of McComsey Hall. This operation will be really loud thus the reason to complete during a break. Work will continue after Fall Break but impact to building occupants should be minimal.

We apologize for any inconveniences that this work may cause.
