

Facilities Management Department Notice Osburn Hall Utility Outages

Description:

Several utility outages are schedule for Fall Break to support the construction of the Osburn Hall Nano Laboratory.

Event Timeframe:

<i>Beginning Date:</i>	<i>Monday, October 8, 2018</i>	<i>6:00 a.m.</i>
<i>Ending Date:</i>	<i>Monday, October 8, 2018</i>	<i>2:00 p.m.</i>

Campus Impact:

The water and sewer for the entire building will be secured to make several connections for the new Nano Laboratory. A partial electrical outage will also occur during this time frame to make the necessary electrical connections.

If you have any questions regarding these outages, please call Facilities Management Department at 871-7875.

We apologize for any inconveniences that this work may cause.
