

Attention all Seniors, Staff, Faculty, Family and Friends

Do you have a student that you wish to recognize as they graduate in December? Are you a senior looking to thank your parents and family, congratulate a friend, or reach out to a favorite professor to share how they impacted your journey here at Millersville?

As a senior, you can share a personalized message in the honorary gift message booklet, available at the December Commencement for \$19.

We ask family members, staff, faculty and friends to submit their message with a minimum gift of \$30.

To learn more, please visit <https://www.millersville.edu/give/where-to-give/senior-class-gift.php>. Please call the development office with any questions at 717-871-7520.

Due to production deadlines, please submit your message by Monday, November 5.
