

A BIG “Thank you” to everyone that came out to PSECU’s Relocation Celebration, on September 12th. Not only did your participation help to celebrate our new office on campus and our 18 years at Millersville University, but it also helped us to give back to the Millersville University campus community. See our photo below for the check of \$444 that will be going to the Campus Cupboard! Just another example of the credit union philosophy, People helping People...it’s what we do!
