

Dear Campus Community,

I'm sad to let you know of the death of Dr. Joseph L. Rousseau, faculty emeritus and past president of APSCUF, on Oct. 24. Dr. Rousseau was a member of the Millersville University faculty from 1969-1996. He was a faculty member in and chairperson of the Department of Elementary and Early Childhood. He was a friend of the University and donated his collection of ancient atlases, maps and first editions to Millersville University, which are available in our library for scholarly research.

Dr. Rosseau was a well-respected member of our campus community and he was always eager to apply his considerable campus savvy to support new faculty as they worked to establish themselves on campus. He was a university leader who left a lasting impression on the MU educator preparation programs and university community at large. You can read more about Dr. Rousseau in his [obituary](#) at Lancaster Online.

Warm regards,

Vilas A. Prabhu, Ph.D., M.B.A.  
Provost and Vice President for  
Academic Affairs
