How do I find my polling place?

Note to upperclassmen who may have voted before: The Blue Rock Fire Hall is NO longer a poll!

• Your polling place location is printed on your voter registration card.
• Call your county election office.
• Look it up online at www.votespa.com

Do I need any identification (ID) to vote?

If you have voted at your polling location before, you do not need to bring ID to vote. Only voters who are voting for the first time in their election district need to show ID. Acceptable ID includes both photo and non-photo ID.

Acceptable IDs for first-time voters:
• Driver's license
• U.S. passport
• Military, student, or employee ID
• Voter registration card
• Firearm permit
• Current utility bill, bank statement, paycheck or government check
• Any ID issued by the commonwealth or federal government
Note: An ID without your photo must have your address on it.

**What if my name isn’t in the poll book?**
The local officials at your poll should call the County Board of Elections to determine if you are registered. If you are, you should be able to vote normally.

**What if I’m in the wrong precinct?**
If you are registered but in the wrong precinct, you should go to the correct precinct. Prevent this mistake by searching your polling place with the address you registered at. Ask for a Provisional Ballot.
