

*Come when you can.  
Take what you need.  
Leave when you want.*

We know that you've been in college before. That's why we're taking a different approach to getting you ready to join our community at Millersville University.

You will be assigned to one of three orientation dates based upon your date of deposit. Confirm your participation or request a new date using the survey link emailed to you.

When you come to campus, check in with us and then take advantage of any of the programs listed on the schedule to the right. You decide what you need from the program. Stay for a few hours, or stay for the day.

Members of the orientation team will be here to assist you throughout the day, and you can stop by the Hospitality Center at any time to relax and re-focus.

When you start the fall semester, you'll receive emails inviting you to join other transfer students at additional transition and social events designed to further acclimate you to your new school – **Millersville University!**

## MATH PLACEMENT EXAMS

8:00 A.M.

Basic Skills Test prerequisite for MATH 104/105 **WICKERSHAM HALL, CONF. RM.**  
Math Placement Test **WICKERSHAM HALL, 104**

- If you have a major in the **College of Science and Technology**, or if you are a major in **business, economics, exceptional education, psychology, or sociology** you **MUST** take the Math Placement Exam prior to the start of your first semester at Millersville University. The only students who are exempt from this exam are those who have received AP/IB credit for Calculus (MATH 161) or higher or who have received college credit for an equivalent 100-level or above mathematics course.
- If you are an **Undeclared Major**, you **MUST** take the Math Placement Exam prior to the start of your first semester at MU in order to support your major exploration.
- If you are an **Early Childhood Major**, you are required to take the Basic Skills Test. This exam should be taken prior to the start of your first semester at Millersville University.
- If you are a **Middle-level Education Major**, you are required to take both the Basic Skills Test AND the Math Placement Exam. These exams can be taken at the same sitting and they should be taken prior to the start of your first semester at Millersville University.
- If you are a student in any other major, you should take the Math Placement Exam at least two semesters prior to enrolling in your first MATH course.

For more information, please contact the Department Chairperson in the Department of Mathematics at 717-871-7668.

## CHEMISTRY PLACEMENT TEST

**WICKERSHAM HALL, 104**

- If you are a **Chemistry, Biology, Earth Sciences, Physics, MDLV major, OR a PREMED** in another major, you must take the Chemistry Placement Test prior to the start of your first semester at Millersville University. The only students who are exempt from this exam are those who received AP/IB credit for CHEM 111 or who have received college transfer credit for a university approved equivalent CHEM 111 course.
- If your major requires CHEM 111 or if you plan to take CHEM 111, you must take the Chemistry Placement Test at least two semesters prior to enrolling in your first CHEM course.

For more information, please contact the Department of Chemistry at 717-871-4297.

## FOREIGN LANGUAGE PLACEMENT TEST

**MCCOMSEY HALL, RM 237**

A placement test in French, German and/or Spanish is required for incoming students majoring in a world language. The placement test is also available to students who would like to begin their studies at an intermediate or higher level. To take the test while on campus go to McComsey 237 from 10:15 to 11:15 am. You may register and take the placement exam during this time.
