

Facilities Management Department Notice Palmer Building Facilities Office Renovation

Description:

The Facilities Management Department main office will be renovated to include converting the heating system to natural gas.

Event Timeframe:

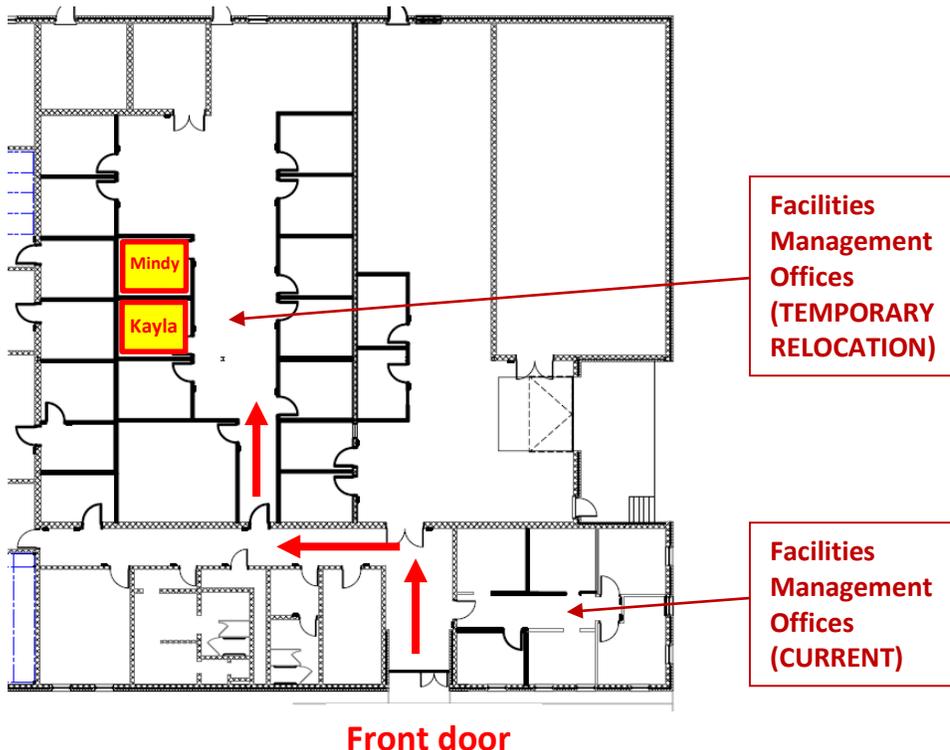

*Beginning Date: Monday, November 26, 2018 7:00 a.m.
Ending Date: Friday, December 21, 2018 5:00 p.m.*

Campus Impact:

The Facilities Management Department main office will be temporarily relocated to another area in Palmer Building. The map below is provided to direct you to our temporary offices. Signs will be posted in the building to direct visitors as well.

Personnel will need to go to the temporary offices to pick up building/vehicle keys and conduct other business.

We apologize for any inconveniences that this work may cause.

"We are sorry for any inconveniences that this project/event may cause. Please contact Facilities Management at x7875 for additional information. Thank you for your cooperation and patience."
