

Astra System and University Event Calendar Outage

Attention Astra users and other University staff who utilize the Astra calendaring system: *there is a planned outage effective 6:00 p.m. on Monday, December 10, 2018. The outage will continue until approximately 1:00 p.m. on Tuesday, December 11, 2018.* The planned outage will also affect the postings on the “All Events” section on the University webpage and Events Calendar. Please do not attempt to add or change any listings in Astra during this period.
