

**Dear MU Campus Community,**

**On behalf of the Diversity to Inclusion Team, we would like to welcome you back to campus. For those of you joining the MU Community, we are fortunate to have you as members of our campus and wish you the best!**

**To assist you in your role (faculty, staff, student, administrator), and to ensure the success of all our students, we would like to once again share a list of resources that we are fortunate to have available to our students. We hope you find this Resource Guide beneficial. We recognize this guide may not be exhaustive. Please continue to send updates to us; we continue to work to make this guide available, electronically.**

**Have a wonderful semester; best wishes!  
Karen Rice and Tyrone Washington**
