

Facilities Management Department Notice Boyer Building Exterior Entrance Door Repairs

Description:

The exterior doors of Boyer Building will be replaced.

Event Timeframe:

*Beginning Date: Tuesday, January 15, 2019 7:00 a.m.
Ending Date: Friday, January 18, 2019 5:00 p.m.*

Campus Impact:

The entrance will be closed intermittently as the contractor works on the exterior doors. Occupants and visitors will still be able to use this entrance but only one door may be open at a time.

We anticipate this work will only take two days but four days are noted above in case any unforeseen conditions are encountered.

We apologize for any inconveniences that this work may cause.
