CALL FOR PROPOSALS
for the 6th Annual Global Well-Being and Social Change Conference
April 24-26, 2019

This year's conference, Social Justice: Valuing Difference, Pursuing Equity, and Finding Space for Solidarity, invites presentations (paper, roundtable, and workshop) that explore the realization of social justice and human rights and its myriad dimensions and manifestations. Our conference welcomes research that identifies barriers to social justice and human rights, as well as strategies (policies, programs, and practices) to promote social justice and human rights across diverse populations. These presentations may be original research, theoretical framework(s), clinical interventions, pedagogy, and/or policy/advocacy. Scholars, practitioners, students, and agents of social change from all disciplines are encouraged to submit proposals.
