

## MEMORANDUM

**To:** The University Community  
**From:** Office of Human Resources  
**Date:** January 14, 2019  
**Re:** 2018 Electronic W-2

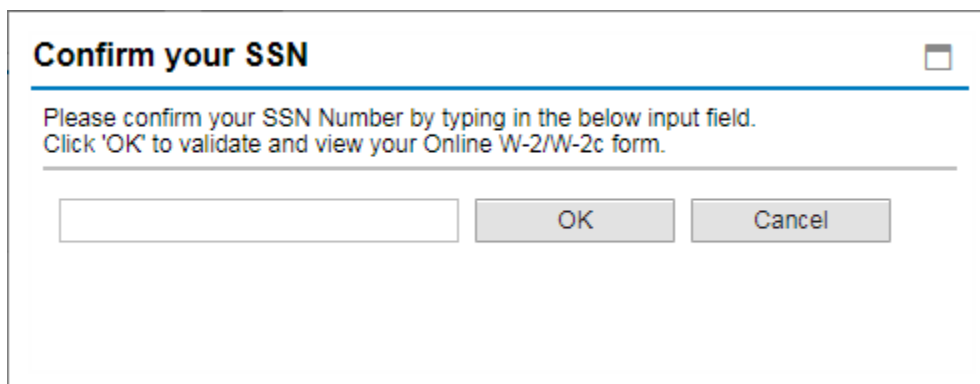

For all PASSHE employees who elected to receive their 2018 W2 form online in ESS, the form is now available to view, print and/or save. Paper W-2's will be mailed in about two weeks. For Electronic W-2's, login to ESS. Just click on the "Payroll" tab, then "Display W-2 form".

The system will request your social security number in order to authenticate the access.

You then need to select the appropriate year from the Forms W2/W2-c. If you have previously received an electronic W2 please be sure to choose the W2 for 2018 to display the most current form. Once you've clicked on "Display" your form, as well as links to instructions and information, will be displayed below. If it does not open automatically please click the arrow to open the tab as show in the second screenshot below.

If you need additional assistance, further instructions are available under the "Help Documents" tab, "Display W2 Form".

As a reminder, if you are using a shared computer please be sure to log out of your ESS session and close your browser window when you are finished reviewing your data. Please let the Human Resources or Payroll department know if you experience any problems.

The screenshot shows a dialog box titled "Confirm your SSN" with a close button in the top right corner. Below the title bar, there is a blue horizontal line. The text inside the dialog box reads: "Please confirm your SSN Number by typing in the below input field. Click 'OK' to validate and view your Online W-2/W-2c form." Below this text is a horizontal line, followed by an empty text input field, and two buttons labeled "OK" and "Cancel".
