

2019 Millersville Employee **GIVING CAMPAIGN**

Greetings,

A big thank you to the 206 employees showing their Marauder pride and who have made a gift, pledge or are enrolled in payroll deduction for the 2019 fiscal year. Currently, 19.3% of faculty and staff have contributed to the campaign and our goal this year is to break 23%.

The 2019 Employee Giving Campaign will begin April 1 and conclude on April 30.

A packet will arrive shortly via inter-office mail. The packet will contain everything you need to participate in the campaign.

We are counting on your participation! You can make your gift online [HERE](#), sign up for payroll deduction [HERE](#), or follow the directions enclosed in your packet. For more information or to learn more about initiatives you may wish to support, please contact the development office at 717-871-7520 or email giving@millersville.edu.

Please note the following:

- Each Friday in April, please look for a feature story and update on the campaign via Ville Daily.
- If you have already enrolled in payroll deduction and don't wish to make any changes, then nothing more needs to be done.
- A pair of Millersville branded socks will be sent to each employee who helps to increase the giving percentage by participating in the campaign.

Thank you,

The Employee Giving Committee
