The Freshman Year Seminar Task Force invites you to participate in a workshop facilitated by Dr. Betsy Barefoot (<http://bit.ly/2Civ8ER>), a Senior Scholar at the John N. Gardner Institute for Excellence in Undergraduate Education (<http://bit.ly/2Csl3oW>).

Through exploring what matters most for student success during the first-year experience, we will consider first-year seminars as High-Impact Educational Practice at Millersville University. Participants will contribute to our expanding campus dialogue centered around how our current first-year seminars (University 103 courses) might be improved.

Lunch (starting at noon) will be provided for those that **RSVP by Thursday, March 28**, and the first 30 people to sign up will have an opportunity to receive a free copy of “What Makes the First-Year Seminar High Impact: An Exploration of Effective Educational Practices” by Tracy Skipper.

Please RSVP **no later than Thursday, March 28th, 2019** to Kay Keen at kay.keen@millersville.edu.
