

Seniors and Freshmen: This is your chance to take the NSSE!

Seniors and Freshmen, don't miss your chance to be eligible to receive an iPad Mini (donated by Student Services, Inc.) or other great incentives! Just take the NSSE (National Survey of Student Engagement) by April 30th and let Millersville know more about your experiences as an undergraduate. Check your MU email for an invitation from President Wubah that was sent yesterday, March 27th, and let your voice be heard today!

If you have questions, please contact the office of Planning, Assessment and Analysis 717-871-7871.
