

Facilities Management Department Notice Dilworth Road Closure

Description:

Contractors will be removing mechanical equipment from the roof of Dilworth Hall. This work was intentionally planned for a weekend to minimize impacts to the campus community as well as the building occupants and visitors.

Event Timeframe:

<i>Beginning Date:</i>	<i>Saturday, April 27, 2019</i>	<i>6:00 a.m.</i>
<i>Ending Date:</i>	<i>Saturday, April 27, 2019</i>	<i>5:00 p.m.</i>

Campus Impact:

A crane will be erected along Dilworth Road for most of the day. Due to safety measures and swing radius, the entire street will be closed.

Vehicle access to Wickersham Hall and Lyle Hall will have to use Alumni Drive or University Drive. These two roads are immediate north of Dilworth Road.

"We are sorry for any inconveniences that this project/event may cause. Please contact Facilities Management at x7875 for additional information. Thank you for your cooperation and patience."
