

Chancellor Visit – April 26

On Friday, April 26, 2019, Dr. Dan Greenstein, chancellor of Pennsylvania's State System of Higher Education (PASSHE), will visit Millersville University to give an update on the System Redesign and answer questions. There is an open forum for all faculty, staff, students, legislators and alumni from 10:15 a.m. to 11:15 a.m. in Ford Atrium in McComsey Hall. The entire campus community is welcome.

Chancellor Greenstein took office as the fifth chancellor of PASSHE on Sept. 4, 2018. He previously led the Postsecondary Success strategy at the Bill and Melinda Gates Foundation, where he worked with other higher education leaders across the country on initiatives designed to raise educational-attainment levels and to promote economic mobility, especially among low-income and minority students.

Greenstein gave the keynote address at Millersville's commencement in December and held an open forum on campus in September.
